

TOYOFOODS EARTH HOSE

Food Flour Conveyance and Antistatic

TFE Types

-5°C to 70°C

Hose material :
Vinyl
Hose reinforcement :
SUS316

Vacuum OK **RoHS2**

Hose Feature

TOYOFOODS EARTH HOSE is an antistatic pressure resistant hose for pressure feed and vacuum (suction) made of soft PVC.

It is a piping hose for food-related equipment that requires static prevention in the transportation of powder and granular materials.

It is a safe and long-lasting hose that fully complies with the Food Sanitation Act, demonstrates a long-lasting antistatic performance, and does not easily stiffen even when used for oily foods.

A hose that prevents clogging due to static electricity during the transportation of powder and granular materials, prevents foreign matter generated from the ground thread from entering, and helps improve safety and productivity.

Feature	
Anti Static	Very Good
Break Proof	Very Good
Flexible	Good
Heat Resistant	Good
Oil Resistant (Animal and Vegetables)	Good
Oil Resistant (Mineral)	Good
Pressure	Very Good
Transparent	Very Good
Vacuum	Very Good

Technical Data
